CAREER OBJECTIVE

Aspiring Full Stack Developer with a solid foundation in frontend and backend technologies. Passionate about building scalable web applications, solving real-world problems, and continuously improving technical and problem-solving skills.

EDUCATION

TKR College of Engineering and Technology <i>Bachelor of Technology in Information Technology</i>	2020 – 2024 Hyderabad
Narayana Junior College <i>Higher Secondary</i>	2018 – 2020 Hyderabad
Pragathi High School <i>Secondary</i>	2018 Vikarabad

INTERNSHIP

Ariqt International ↗ <i>Frontend Developer Intern</i>	Mar 2025 – Jun 2025 Hyderabad, India
<ul style="list-style-type: none">• Gained hands-on experience in Angular and Bootstrap by building dynamic, responsive web applications as part of the development team.• Developed and integrated features for projects such as an Intern Management Portal, To-Do List Application (with API integration), and a Password Generator Tool.• Explored Microfrontend Architecture concepts to understand modular and scalable front-end application design.	

PROJECTS

Intern Management Portal ↗ <i>Angular, Bootstrap</i>
<ul style="list-style-type: none">• Built a full-featured web application using Angular and Bootstrap, integrating CRUD operations with mock API data.• Implemented routing and navigation to manage views such as add, edit, delete, and search intern records efficiently.• Designed and developed a searchable dashboard for managing intern profiles, enabling seamless user interaction.
Password Generator ↗ <i>HTML, CSS, Javascript, Angular</i>
<ul style="list-style-type: none">• Developed a Password Generator with customizable options for length, numbers, and special characters.• Implemented a dynamic length slider and character selection checkboxes for flexible password creation.• Added a one-click copy-to-clipboard feature for easy and secure password usage.
Amazon Clone ↗ <i>HTML, CSS, JavaScript</i>
<ul style="list-style-type: none">• Designed and implemented comprehensive e-commerce application, replicating core functionalities of Amazon.• Interactive features for adding, updating, and removing items from the cart.• Used Day.js for real-time order date management.

SKILLS
